MEMORANDUM FOR: Director of Training

FROM : John F. Blake
Deputy Director for Administration

Rod:

1. I have your memorandum of 26 February on "Briefings on CIA for Visiting and External Groups". I thank you for it.

2. You will be receiving at about the same time as this memorandum, another piece of paper stating there will be a meeting in my office on Friday, 19 March, on this same general subject. Would you please have the individual that comes to that meeting extract out of your 26 February memorandum the salient points for consideration and then we can discuss them together with representatives of three or four other units. I believe we have developed some thoughts that can give assistance on this program.

John F. Blake
